Sausage Sizzle for next FFF. We have some left over from Harvest Festival.

BOT Funding:

BOT want another umbrella for the Totara Courtyard. Approx. \$7,000. BOT have no spare money at the moment. Umbrella bigger priority than playground at the moment as no work can happen on this yet.

Depositing of old playground	\$16,000 + GST

Fundraising

Nicole was approached to sell First Aid Kits for fundraising. School gets ok margin. Maybe do when we are doing first aid courses later in year.

Kelly has had email reminding about doing calenders. Last year we left it too late to order so we should discuss maybe Term 3.

Water Slide

Nicole has been approached by water slide people to make a booking. Nicole will get pricing then we can make a decision.

Disco or free FFF or Water slide.

Harvest Festival

Need to give out before end of Term 3.

Year six students to get them as they can bring them along after they have left.

Do it in corflute in case it gets stolen.

PTA agreed on this pricing.

Pet Day flyer has been done by Angela. We are taking off the bit about what stalls we have and putting the school name bigger.

Nicole will get pet day stall signs made up now. We are doing generic signs that can reused.

We can get roster sorted once we have decided on generic signs.

Richard wants to scrap any stall that made less than \$25.

Rani said having the same themed artwork will help keep expenses on photo booth as we had to print folders every year. We can put sign behind the people with the year on it.

Order lucky dips through same company.
